The undersigned accepts and will comply with the following conditions:

- (i) Utmost care will be exercised to see that no natural features are injured, and following completion of the photography/filming activity, the area will, as required by the National Park Service, either be cleaned up and restored to its prior condition or left, after clean-up, in a condition satisfactory to the official in charge.
- (ii) Credit will be given to the Department of the Interior and the National Park Service through the use of an appropriate title or announcement, unless the National Park Service requests that no such credit is desired.
- (iii) Pictures will be taken of wildlife only when such wildlife will be shown in its natural state or under approved conditions if such wildlife is confined.
- (iv) No helicopters or other commercial tour aircraft are permitted for park filming
- (v) General liability insurance must be carried by the permittee showing the U. S. Government, National Park Service, Rocky Mountain National Park, 1000 Highway 36, Estes Park, CO 80517, as additionally insured. Short term policies must show coverage on "occurrence" basis. The minimum amount of commercial liability insurance is one million dollars. Additional amounts may be required for high risk activities.
- (vi) All terms and conditions of the National Park Service Special Use Permit and any additional instructions required by the National Park Service will be complied with.
- (vii) Any additional information relating to the privilege applied for by this application will be furnished upon request of the National Park Service.

I hereby state that the above information given is complete and correct, and that no false or misleading information or false statements have been given. All estimates are reliable to the best of my knowledge and I have the full authority to represent the applicant/production company and the project described above.
